**WORKMANS' COMPENSATION  
WAIVER STATEMENT**

By signing this form you are indicating that you choose to personally pay for psychiatric services received from this clinic (BPS) and its providers, and to not utilize your Workman's Compensation benefits to pay for these services.

This is necessary because BPS does not currently participate as a Workman's Compensation provider. In the meantime, if you choose to rescind this agreement while receiving care in this clinic, BPS will cooperate with transfer to your psychiatric care to a provider who does accept Workman's Compensation.

**I have read the statement above, my questions have been answered, and I agree to this arrangement.**
